

BRYAN STEVENSON

"Bryan Stevenson is the founder and Executive Director of the Equal Justice Initiative and one of the most acclaimed and respected lawyers in the nation. Stevenson is the recipient of numerous awards, including the MacArthur Foundation "Genius" Grant and the NAACP Image Award for Best Non-Fiction, and was named one of Time's 100 Most Influential People for 2015. His memoir, Just Mercy, is the story of a young lawyer fighting on the frontlines of a country in thrall to extreme punishments and careless justice. It is an inspiring story of unbreakable humanity in the most desperate circumstances, and a powerful indictment of our broken justice system and the twisted values that allow it to continue."
